RISK
INSTITUTE

Board Risk Oversight and Insight Program

This program covers key aspects of risk oversight in the financial services sector and is available exclusively to Global Risk Institute members.

Offered over 1.5 days at the Rotman School of Management in downtown Toronto, GRI's flagship program brings together the best practitioners and academics to provide actionable insight on the risk oversight responsibilities of boards and their directors.

Hear from governance and risk management experts in a collaborative environment featuring interactive discussions and case studies. Share experiences to enhance your capabilities to effectively oversee risk management and ensure achievement of your organization's objectives.

2018 SESSIONS

Coming Soon

"The Board Risk Oversight and Program is an outstanding program for anyone on a board, and particularly for members of the risk committee. In an increasingly interconnected, global and digital world economy, sound risk governance is a Competitive imperative. The Board Risk Oversight and Insight Program moves briskly from theory to practice, and from knowledge, to skills, to judgment."

Tiff Macklem

Dean, Rotman School of Management and Scotiabank Board Member

"The Global Risk Institute's Board Risk Oversight and Insight Program ("BROIP") has proven to be a key resource for board members. Risk oversight continues to be a crucial responsibility of the board. The GRI program highlights prime ongoing operational and financial risks that confront senior decisions makers, and provides an opportunity to look at emerging risks. The program provides an important educational and development opportunity for financial service industry directors."

Heather Munroe-Blum

Chairperson, Board of Directors Canada Pension Plan Investment Board and Royal Bank Board Members

Maria Montes, Event Manager at +1 (416) 306-1182 or email mmontes@globalriskinstitute.org

A program created exclusively for directors of boards.

A Joint GRI-Rotman Education Program

THE PROGRAM PROVIDES:

- Exposure to risk oversight best practices and emerging trends
- Opportunities to gain insight regarding risk management practices and approaches employed by the boards of other GRI member financial institutions
- An appreciation and application of risk appetite frameworks including fostering a healthy risk culture
- Opportunities to explore with faculty experts, as well as board peers, the types of questions that directors should be posing to corporate risk professionals
- Networking with director peers in an interactive learning environment

"As a board member, GRI's Board Risk Oversight and Insight Program gave me a rare opportunity to engage with my peers and share points of view on topics of vital importance to board members in today's uncertain global environment."

Diane Bean
PSP Investments Board Member

"I found the sessions to be both informative and thought provoking. I am encouraging all of our directors to attend as it will help facilitate our ongoing risk dialogue."

David LeGresley
Board Chair, Equitable Bank Group
